Subject: FW: Dr. Thorn's expenses for covance visit

Jan,

Based on Ted's note below, it will be OK for him to pay Dr. Thorn. However, I would advise Dr. Thorn to provide Ted an invoice for his consultancy fee and expenses instead of Dr. Rylander. This would eliminate any confusion and payment would be directly from PM to Dr. Thorn and Dr. Rylander would not be in the middle of these payments.

As far as a reasonable consultancy fee, I cannot give any recommendations.

If you need anything further, please let me know.

-L

Ted,

This method of payment is OK with me if it is OK with you.

Dear Jan,

We are well geared for the Thorn visit to Covance - the reference material has been sent to Jill, demonstration material has been assembled and the ticket ordered.

Regarding the arrangements for payment I wounder if there is another solution. The PM finances are notoriously slow to pay - I have experience of checks that have been in the circuit for up to six weeks and I have had to pay late fees on credit cards and even twice have the card suspended. If it would be possible for me to send an invoice (including the consultancy fee) through Ted Sanders and for him to pay me in Geneva we would probably avoid a lot of trouble for Jorgen.

Please advise.

Could you also let me have a suggestion for a reasonable consultancy fee for Jorgen.

Best regards
